To Open _____ Sq. Yds. @ \$ _____ per Sq. Yd. Base Fee: \$ _____

Work will commence on _____ Will complete on _____

Location of Work _____

Type of Work _____

Resurfacing: _____

The Applicant agrees to assume all liability for any and all damages incurred to the public or Township street(s) or to any Tinicum Township property.

Applicant is responsible for any and all Township Engineer's fees incurred for project.

Applicant agrees to perform work in an uninterrupted manner to assure timely completion. Applicant is responsible for Street Openings, Excavations, Repairs, Restoration and Clean-up of work site. Suitable selected medium, specifically 2A Modified Stone, thoroughly compacted in twelve (12) inch layers, tamped to within ten (10) inches of the surface is required.

APPLICANT MUST CONTACT THE TOWNSHIP INSPECTOR PRIOR TO BACKFILLING - Contact: Tinicum Township Administration Office: (610) 521-3530

Immediately upon completion of work required above, a temporary paving of ballast stone or screening ten (10) inches in depth is to be placed in two (2) five (5) inch layers thoroughly bound and compacted, and must be installed flush with the surface of the adjoining paving.

Permanent restoration of sidewalks and curbs are the responsibility and must be completed by the permit holder or property owner.

An applicant for a permit to open or excavate any highway, avenue, street, sidewalk, or footpath, except a **Public Utility Company**, shall pay a permit fee of **Twenty-Five Dollars (\$25.00)** before the issuance of a permit, except that no permit fee shall be charged under Section 4. of Ordinance 646, with regard to such opening or excavations made solely for the purpose of installing or replacing sidewalks, curbs, or private drives. **Public Utility Companies** shall pay a permit fee of **Fifty Dollars (\$50.00)** before the issuance of the permit and shall be responsible to maintain and restore any opening or excavation to its original condition in a manner acceptable to the Township Engineer. Except for **Public Utility Companies**, in addition to such permit fee, a restoration fee shall be charged as follows based upon the square yardage to be affected as determined by the Township Engineer.

STREET OPENING FEE SCHEDULE - PER ORDINANCE NO. 646:

- **For Unimproved Highways:**

The sum of **Ten Dollars (\$10.00)** per square yard or fraction thereof.

- **For Stabilized Paving, including but not limited to Shoulders with Cinders, Stone or some form of stabilization through the use of selected material surfacing:**

The sum of **Thirty Dollars (\$30.00)** per square yard or fraction thereof.

- **For Bituminous Concrete Streets:**

The sum of **Fifty Dollars (\$50.00)** per square yard or fraction thereof.

- **For Cement Concrete Streets or Cement Concrete Streets with a Bituminous Concrete Overlay:**

The sum of **Ninety Five Dollars (\$95.00)** per square yard or fraction thereof.

By affixing signature, I agree that all work is to be conducted in accordance with and subject to the **Township of Tincum Street Opening Ordinance No. 646**.
